NOTIFICATION

Notification to Students – Make-up Examination Registration

Dear Students,

The technical team is aware of the current SLCM registration issue and is actively working to resolve it. Students are advised to attempt registration again after some time.

Please note that even if the issue remains unresolved, all students with F, I and NS grades will be permitted to appear for the make-up examination of their respective courses without SLCM registration.

In such cases, students may report directly to the examination hall. Seating arrangements will be displayed on the notice board prior to the examination, or students may visit the Examination Control Room to confirm their seating details.

The payment and dues related to the make-up examination will be raised at a later stage (not at present), as already communicated in the make-up examination registration notice.
